ONE YEAR CLASSROOM PROGRAM

for JEE Main, 2016

This Program also helps the Student to excel in XII Boards and Other Engineering Entrance Exams.

FIITJEE is an institute which not only preaches high standard of ethics and value systems but also follows the principles in letter & spirit.

Therefore, we always tender honest & correct advice to every Student & his / her Parents.

When Students fail to get a Rank in JEE Advanced or more precisely fail to get a rank in JEE Advanced which can give them a branch of their choice in an IIT, they fervently start hoping that they get a good rank in final JEE Main merit list (prepared on the basis of JEE Main Marks as well as XII Board marks).

Best way to prepare for a career in Engineering is a holistic preparation in JEE Advanced & JEE Main, XII Board Exam and Other Engineering Entrance Exams in a synchronized manner. Some Students however need to focus only on JEE Main, XII Board Exam and Other Engineering Entrance Exams for best and optimum career options. FIITJEE's One Year Classroom Program for JEE Main, 2016 is specifically suitable for such wise Students.
