

Classroom Program for Students going to **Class 10** in 2015

THREE YEAR CLASSROOM PROGRAM

for JEE Advanced, 2018

This Program also helps the Student to excel in NTSE, X & XII Boards.

IITs have restricted the no. of attempts for JEE Advanced. Students now just have two chances – one just after the XII board exams and the second immediately in the next year. They should try to succeed in JEE Advanced in the first attempt itself and not take unnecessary pressure as uncertainty of ill-health or any accidents while appearing for the second & last attempt could be too risky.

Best way is to start your JEE preparation from the beginning of Class IX, but if you have not been able to do so, it is prudent you start your preparation at the earliest. Three Year Classroom Program for JEE Advanced, 2018 for Students who are presently in Class IX (going to Class X) is the next best alternative.

The goal of the program will be to help you score high marks in X & XII Boards and a good Rank in JEE Main & JEE Advanced. The program will also prepare you for NTSE and Other Engineering / Scholastic Competitive Examinations.

Physics, Chemistry, Mathematics, Biology, Social Studies & Mental Ability will be covered for NTSE level while focus for JEE Advanced continues. Entire course is divided into 9 Phases - 4 Phases in Class X, 3 Phases in Class XI & 2 Phases in Class XII. Our Academic Phase Plan covers the entire syllabus of JEE Main and JEE Advanced. Each phase has exhaustive quizzes and phase test (both on JEE Main & JEE Advanced pattern). Additional doubt removal sessions, Rank Improvement Program (RIP), All India internal Test Series (AI²TS), All India Common Phase Test, Grand Masters Package (GMP), Rankers Test Papers File (RTPF) & All India Test Series (AITS) are also part of the program.
